# Honest Advertising BY HONEST DOCTORS

The fraudulent, the misleading, the deceptive advertiser is gradually being driven out of the columns of reputable papers. Honest business, no longer tolerates dishonest advertising or questionable methods. In recent years laws have been passed by many states against false or fraudulent advertising. Honest magazines and newspapers will no longer accept fraudulent advertising or misleading propositions. Honesty has long been spoken of as the best policy. And now it is being demonstrated as being good business. The business that is built upon reputation for honesty, square dealing and truthfulness in its advertising becomes a permanent fixture and gets and holds business at a less cost than the one that cheats and lies. There is no longer any place in the business world for those that entice the unwary to their place of business on false pretenses and then rob the victim by taking advantage of his credulity.

## OUR POLICY

for years has been to base our advertising matter upon the teachings and practice of the leading medical men of the world. To adhere strictly to the truth in our matter and our statements to our patients, dealing with them at all times fairly and squarely, and that is just the reason we are here today. Other doctors come and go but our work is more appreciated and our practice is growing from year to year. Since we located in South Bend we have seen any number of doctors locate here, stay a short while, pull up and move on. There is a reason for our being able to successfully breast the on-slaughts, and unfair attacks of many of our competitors, and thrive in spite of their unfair advantages and empty talk. This reason is TRUTHFUL ADVERTISING and HONEST DEALINGS.

## In the Treatment and Cure

of PILES, FISTULA, HYDROCELE, VARICOCELE, PROSTATIC ENLARGEMENT, NERVOUS DEBILITY, BLOOD POISON and all curable diseases, defects and weaknesses of the Pelvic Organs, RHEUMATISM, BLADDER and KIDNEY DISEASES, PAINFUL or DIFFICULT PASSAGE AND INCONTINENCY (dribbling). We offer you honest and faithful treatment, a permanent cure in curable cases at a fair and just fee, for good work—much less than many charge for inferior work—without the use of the knife, pain, loss of blood or time. No unnecessary or useless drugging. No lies. No questionable propositions. No advantage taken or allowed. YOU KNOW JUST WHAT YOU ARE GOING INTO BEFORE YOU START. All conditions, fees, expenses, probable time for a cure, the chance of a cure, and all necessary information is given you before you start treatment. Can one be more fair?

## HONESTY BEST POLICY

When we tell a man he is going to get \$14 or \$66, he gets it and not a dose of colored water, or in some instances we know of, plain, clear water. Our methods are clean and no one can get us to do a dishonest deed or criminal act. Our reputation is worth more to us than all your money. Honesty makes for permanence, whether it be in the construction of a great building or the foundation of a successful business. Truthful advertising and honest methods will pay. The cheat, the liar the one who makes false promises or takes unfair advantage, will fail every time. OUR BUSINESS IS CONDUCTED ON JUST AS HIGH A PLANE AS YOUR BANKER'S OR MERCHANT'S.

How would you charge you for same service. We can be reasonable, about half what the ordinary doctor does, being fifteen to twenty times that of the average doctor or specialist.

## WE GUARANTEE

Free Consultation. Prompt and Courteous Attention and satisfactory Results Demonstrated by Scientific Tests.

Hours 9 to 8  
Sundays 9 to 1  
Dr. Fleener Co. South Bend, Ind. 109 1-2 W. Washington st.
